**So easy to set up, So simple to do, So much fun for ALL.**

Your group will have a blast in this live, immersive experience that's professionally facilitated by one of our larger-than-life characters. 8 of your guests play the suspects while our professional actor keeps the laughs rolling in as everyone tries to catch the culprit.

Your Zoom Mystery experience starts with an **Open Social\*** where your guests are welcome to arrive into our Zoom Room online to socialize with each other for up to 30 minutes **before** the 75-minute show starts.

At **show time** our facilitator joins the party and suddenly everyone is in-character. The mystery unfolds, the murder is revealed and evidence is presented as the heat is turned up on the suspects. Accusations fly as fellow suspects and spectators text-chat their suspicions while suspects are being interrogated by our Special Officer. Are you sharp enough to catch the culprit? Who will get super-sleuth braggin' rights?

We've used our **29 years of live, award-winning Murder Mystery performance experience** to create a truly unique Zoom Mystery show
