*DDS, MSc (Community Health & Epidemiology), MSc (Prosthodontics), FRCD(C)*

Dr. Noorein Hajira received her Doctor of Dental Surgery and the Master of Science in Community Health and Epidemiology degrees from Dalhousie University, Halifax in 2012. She then completed a General Practice Residency at the Vancouver General Hospital & University of British Columbia. After practicing as a general dentist in Toronto for some time, she then completed the Prosthodontics master's specialty training at the University of Toronto. She has been the recipient of several honors and awards throughout her education. She currently works in private practice in Ontario and is also involved with teaching in the Graduate Prosthodontics specialty program at the University of Toronto. She has also served as Co-Chair of the Residents and Fellows Committee of the American College of Prosthodontists.

Jonathan Madras,  
BSc (Hons), DDS, FRCD(C),  
Diplomate, American Board of Endodontics

Dr. Madras obtained his certificate in endodontics at Nova Southeastern University in Fort Lauderdale, and his Fellowship from the Royal College of Dentists of Canada, in 2010. Prior to that, he spent a year in Toronto as a general practice resident at Mount Sinai Hospital. He received his DDS degree in 2007 from the University of Western Ontario, and his BSc from Queen's University in 2002.

Dr. Madras teaches and lectures extensively in the endodontic field. He has spoken at the annual conference for the American Association of Endodontists, and is a part-time clinical instructor for undergraduate dental students at the University of Toronto. He is a past president of the George Hare Endodontic Study Club. In December of 2012, he proudly became a Diplomate of the American Board of Endodontics. Dr. Madras is currently in private practice in North York, ON.

**Geoffrey Duviner,**  
**Hon.BSc, MHA, DDS, Dip. OMFS, FRCD(C)**  
Oral & Maxillofacial Surgeon

Dr. Duviner obtained his Honours Bachelor of Science from the University of Toronto in 2002, graduating with distinction. He then earned his Masters in Health Administration from the University of Ottawa in 2005. Following this, he completed his dental education, receiving his Doctor of Dental Surgery, Magna Cum Laude, from the University at Buffalo in 2009.

In June 2013, he completed a 4 year residency in Oral and Maxillofacial Surgery at Montefiore Medical Center/Albert Einstein College of Medicine in Bronx, New York. Montefiore is the largest Oral and Maxillofacial Surgery training program in the United States. His surgical training at Montefiore has prepared him to perform the full scope of Oral and Maxillofacial Surgery.

Dr. Duviner is licensed as a specialist in Oral & Maxillofacial Surgery by the Royal College of Dental Surgeons of Ontario and is a Fellow of the Royal College of Dentists of Canada. In addition to private practice, Dr. Duviner is a Clinical Instructor in the Department of Oral and Maxillofacial Surgery at the Faculty of Dentistry, University of Toronto. He is a staff oral & maxillofacial surgeon at Mt. Sinai Hospital and North York General Hospital, and holds courtesy privileges at Baycrest and Trillium Health Partners. Dr. Duviner is also an active member of several professional organizations.
